□ Webex Application

The screenshot shows the UUM Online Learning Webex Education Connector interface. At the top, there is a header with the UUM logo and 'UUM Online Learning' text. To the right of the header, the user's name 'Shamsul Amri bin Abdul Manap' is displayed next to a profile icon. Below the header is a navigation bar with links: Home, Previous Session, My courses, Lecture Notes, Blended Learning, UUM eAssessment, and UUM Supervision. A search icon is also present. The main content area shows a breadcrumb trail: Dashboard > My courses > MyCourseNAAR > Topic 1 > Webex Education Connector. The title 'Webex Education Connector' is displayed. Below the title, there is a section for 'Virtual Meetings' with a 'Support' link. A 'Meetings' section contains a 'New Meeting' button. Below this, there are tabs for 'Upcoming', 'Past Meetings', and 'Recordings'. The 'Upcoming' tab is active, showing a meeting titled 'Second Meeting' by 'Nor Asiah binti Abdul Rahman' scheduled for '5:00 PM - 6:00 PM' on 'Sep 24, 2020'. A green 'Join' button is next to the meeting details. A 'Filters' button is also visible.

MyUUM/UUMWiFi (up to 180 Mbps)

For UUM staff and students

Need to authenticate for better speed and secure connection.

UUMWiFi Guest (up to 100 Mbps)

Access is open and accessible to all with slower speed .

Available in all academic, administration, and residential buildings. It is also available in most common areas such as cafeterias, Sports Centre, Varsity Mall, etc.

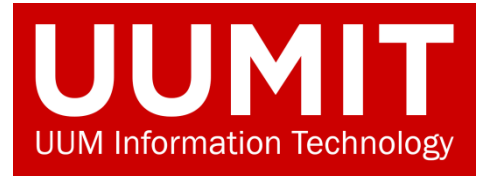

UUMWiFi

Connect to UUMWiFi/MyUUM

- Make sure you have activated your UUM Portal account.
- Your devices must support IEEE 802.11b/g/n/ac and 802.1X/WPA2.
- You must be in range of the UUM WiFi network to configure your device.
- Refer to the instruction at

<https://it.uum.edu.my/index.php/uumwifi>

UUMWiFi is provided by UUM to assist students in their studies. So use them wisely.

UUMWIFI TERMS AND CONDITIONS

UUM WiFi is a free high-speed wireless broadband for faculty, staff, students and guests of UUM.

It is an encrypted network that uses the latest wireless technology based on 802.1x for authentication and authorization to provide a secure access.

By logging to UUM WiFi, you represent that you have read, understood and agreed to the terms of this service.

By using UUM WiFi, you acknowledge

1. that UUM WiFi may not be uninterrupted or error-free;
2. that viruses or other harmful applications may travel through UUM WiFi;
3. that UUM WiFi is provided "as is" and on an "as available" basis, without warranties of any kind, whatsoever;
4. that we reserve the right to monitor and control service usage and/or types of traffic transmitted on the network; and
5. that you are entirely responsible for any and all activities that occur through the use of UUM WiFi.

Activities conducted through UUM WiFi shall not violate any applicable law or regulations.

Examples of prohibited activities include, but are not limited to:

1. Spamming and invasion of privacy.
2. Harvest or collect information about others, including e-mail addresses, without their consent;
3. Use a false identity;
4. Attempt to gain unauthorized access to any network or computer;
5. Use of inappropriate language including defame, abuse, harass, stalk, threaten, or otherwise violate anyone else's legal rights.
6. Transmit any material protected by intellectual property laws, rights of privacy or publicity or any other applicable law without obtaining all necessary consents.
7. Publish or distribute any inappropriate, profane, defamatory, infringing, obscene, indecent, or unlawful material/information.
8. Distribution of internet viruses, trojan horses or other malicious or harmful programs;
9. Interfering with or disrupting UUM WiFi or servers or networks connected to the systems, or disobeying any requirements, procedures, policies or regulations of networks connected to the UUM WiFi.
10. Any other actions that may otherwise be unlawful or inappropriate

If you fail to follow any of the terms, we reserve the right to suspend or restrict your use of the service. Further disciplinary action may be taken against you depending on the situation.

□ Hybrid Classroom

UUMIT has provided several lecture rooms for classes that are held in Hybrid, which is physical and virtual.

UUMIT will ensure that all equipment and services in the lecture rooms are always ready for use.

At the moment, there are 20 such rooms in the entire campus.

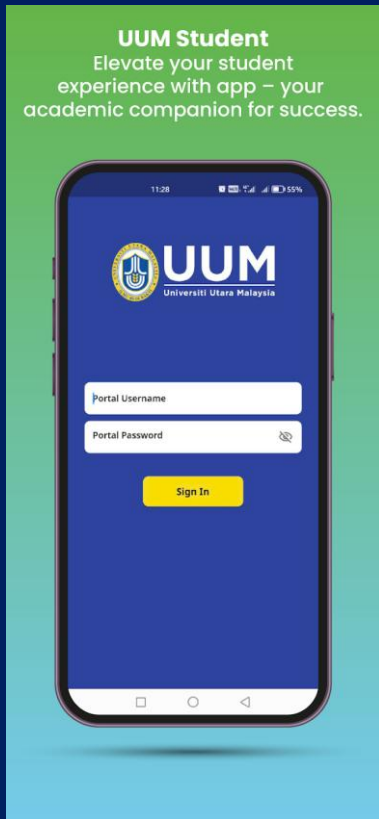

Mobile Application

UUM Student 2.0.

Apple Store, Google PlayStore and also Huawei appGallery.

Provides Academic and financial information of students as well as digital ID facilities.

Can be used as student identification and for access to facilities around the UUM campus.
